Road to College| Blog Assignment

Not everyone will understand your journey.

That's fine it's not their journey to make sense of. It's yours.

Directions: You will write, revise, and post your final *Road to College (and high school)* reflection blog. While this is YOUR reflection and thoughts, there is no formal prompt for this assignment. You may use the reflection prompts below to guide your writing, but feel free to digress and make it personal. Reference the two sample blogs from high school students attached for some motivation and guidance.
